Country Club Name: _____

INSTRUCTIONS - Provide us a minimum of 5 Saturdays from May 28 thru July 23 for your Home matches.

The golf season for your junior team's 6 or 7 division matches will begin on May 28 and continue through July 23, 2011. Eight teams will qualify for the Playoffs which will begin on July 30, 2011. All matches, except for the last championship match, are played on Saturdays during the season, with the tee times beginning at 1 p.m. About half of your matches will be "away," the rest will be at "home". Saturday practice matches for May 14 and 21 are also to be scheduled. Hence, please also provide us with the practice dates that your team can play, and also host.

To participate, your Club must initially provide us with at least **Five (5)** available Home dates on Saturdays during the May 28 - July 23 division match-play season. From those 5 dates, your team will receive 4 home matches. **Since we have only 8 weeks to complete 7 matches, it is vitally important that you give us as many Home dates as possible for our scheduling flexibility. Scheduling priority goes to those clubs who return this sheet the earliest.** Tee times for home matches shall begin at 1p.m. Please also indicate any playability problems, such as course renovations, closures, club events, etc.
